### **Downtown Delray Beach Restaurant, First to Host Bar / Bat Mitzvahs With Celebrity Chef at Price Points Anyone Can Afford**

**SALT7-** Downtown Delray's flashy American eatery and social lounge is opening its doors to two new ventures this year, which are nothing short of spectacular.

For the past five years, SALT7 has not only been serving up some delicious bites, but their event team has also thrown some of south Florida's most talked about and award-winning events.

SALT7 has teamed up with Easy Bar Mitzvah INC to provide a one stop shop for the perfect Bar / Bat Mitzvah service and party celebration.

SALT7 has decided to introduce their new Executive Chef, winner of "Hell's Kitchen", Chef Paul Niedermann. Chef Paul is skilled in large scale functions and knows how to accommodate any party size. He impresses his guests with the same passion and drive for the culinary arts that allowed him to win "Hell's Kitchen".

Easy Bar Mitzvah, in its 10th year, is a concept developed by Cantor Glenn Sherman. Cantor Sherman teaches students via Skype and officiates at destination Bar and Bat Mitzvahs throughout the world. "After officiating over 300 destination Bar /Bat Mitzvahs in the the past 10 years, I've realized there's no place like Home," Sherman says. "Located in Delray Beach, SALT7 is the perfect place for a Bar Mitzvah." There is a large Jewish community in South Florida; in addition, there are many families throughout the United States and Canada who want to make Delray Beach, Florida, the destination for their Bar/ Bat Mitzvah. Traditionally, Bar/Bat Mitzvahs are held on Mondays, Thursdays, Saturday mornings and evenings, and SALT7 has all the amenities.

SALT7 is the total package, from their dedication to meaningful events, to the introduction of Chef Paul and a newfound partnership with Easy Bar Mitzvah INC. It is sure to be a memorable event for all.
